Logansport State Hospital COVID-19 Visitation Guidelines

Effective July 20, 2020

Logansport State Hospital understands that visitors play an important role in an individual's recovery and, to help ensure a safe environment for interactions to occur between patients, visitors and staff, LSH is instituting the visitation guidelines listed below. These guidelines are subject to change depending on the current Indiana Back on Track Stage and statewide mandates, as well as Cass County health department guidance. In the event of a COVID-19 outbreak, a moratorium will be immediately enacted at the hospital.

If you have questions about visiting a patient at Logansport State Hospital, please contact the Communication Center at (574) 722-4141.
